

City of Ferrara in the Po Valley - Castello del'Este
This is the most Disnesque castle I've seen so far.

Clockwise: 1.Detail of Este Castle. 2.the main cathedral (duomo),
3.Streetside eating; 4.Inside of duomo

Main Piazza of Ferrara on a rainy Saturday afternoon. People strolling anyway.

Main Piazza, Ferrar

Statue of Savonarola - Bonfire of Vanities

Main street

Got to have that cell

Ferrara is known as a place where everyone rides bikes. Very flat with wide streets because one of Este Dukes like wide streets.

Ferrara. the saturday afternoon passigiato (stroll). After calcio (soccer to us) it seems to be main national sport. In Ferrara, bikes are included

Politics and bikes and geezers

Bambino on bike with madre

As I said, everyone rides bikes - Geezers, kids, moms. This was the day before the election and I imagine that is what the 'anziani' were talking about.
